Vanguard Bandits, known in Japan as Epica Stella, is a tactical role-playing game for the PlayStation. The game was developed by Human Entertainment and originally released in Japan on July 30, 1998. It was published in North America by Working Designs. Vanguard Bandits is a support-centric strategy RPG featuring tactical combat in a medieval fantasy world in which knights and soldiers pilot mecha. This game takes place on the Continent of Eptina where numerous battles have taken place over terr

Vanguard Bandits - Wikipedia

A great and detailed guide for Vanguard Bandits. It has outdated slang and corny jokes within certain parts that will either make you chuckle or groan in absolute agony. Those points aside, its a very detailed and thorough guide for choosing the many different story arcs, paths, and items within the game.
